The placement of flowers and decorations on interment spaces is both a time-honored tradition and a beautiful expression of love and remembrance.

The following guideline summary is provided to help our visitors have a welcoming and safe experience.

Please refer to our complete Visitor Guidelines for detailed information.

-WALK WITH EXTRA CARE WHILE VISITING
THE CEMETERY AND HAVE CAUTION AROUND
HEADSTONES, LAWN VASES, SPRINKLERS,
WET AREAS, SLOPES, PINECONES, AND PINE
NEEDLES.

-We understand that many families and visitors look forward to decorating graves with items that may not conform to the cemeteries' guidelines. To honor your loved ones, the cemetery staff will only remove flowers and decorations once a month.

-Flower and decoration removal dates are posted on this calendar, marked in red. On these days, all flowers and decorations that are conforming and non-conforming will be removed in order to thoroughly mow and trim.

-Non-conforming decorations are items that interfere with safe mowing such as:

BORDERS
FENCES
POTTED PLANTS
PLANT RACKS
BRIDGES
BALLOONS
SPINNERS
TOYS
JEWELRY
CLOTHING
LIGHTS
STATUES
GLASS
CERAMIC
METAL

The cemetery is not responsible for the safe keeping of flowers and decorations.

To respect and not disturb any non-conforming or heavily decorated graves the cemetery will not mow or trim those graves until after the items are removed either by the family or by the cemetery on posted removal dates.

THANK YOU
